1800 watt powerful grinding machine for working close to edges, 150 mm

LD 18-7 150 R, Kit Turbo-Jet

Order number 418.765

1800 watt powerful grinding machine for working close to edges, 150 mm

- + Microprocessor electronics: with consistent speed control, soft start, overload protection and temperature monitoring
- + Reliable 1800 watt high-performance motor with sufficient power reserves
- + Vacuum dust collection: protects against abrasive dust, reduces disc wear, keeps concrete pores for the new coat open
- + Recessed spindle lock, to avoid unintentional activation
- + With steplessly adjustable, vibration-proof, ergonomic bail handle, for optimum handling and machine control
- + Guard with pivoting segment to allow grinding right up to the wall. Height-adjustable to the disc height and for optimum dust extraction
- + Adapter for FLEX clip-system as standard equipment
- + 150 mm diameter, ideal for application on floor areas
- + Turbo-Jet grinding disc with optimum removal rate. The large number of diamond segments provides a considerably quieter operating performance and a more attractive sanding pattern. Ideal for surface grinding on mineral substrates.
