## Ergonomic polisher with speed control trigger

**PE 14-3 125**

**Order number 406.813**

### Ergonomic polisher with speed control trigger

- + With its wide speed range it is perfect for working with polishing pads from Ø 80 mm upto max Ø 160 mm
- + Powerful 1400 watt motor with highly-efficient ventilator for optimum cooling
- + Optimised air flow for optimum cooling of motor and gear. No annoying exhaust air for the user
- + Accelerator switch for a slow and gentle start
- + VR microprocessor control: with tachogenerator constant speed control, soft start, continuous speed control trigger, restart protection after power failure, overload protection, temperature monitoring and speed selection
- + Flat gear head reduces distance to the surface. The machine can therefore be operated safely in any position.
- + Spindle lock
- + 4 metres PUR H05-BQF cable: wear-resistant, flexible and highly resistant to cuts and abrasions
